Same Day of Service Payment Policy

In order to provide quality care to our patients, we have instituted an alternative payment policy to better serve your needs. As an additional service to our patients we offer the following:

Effective June 1, 2017, any treatment that is paid for on the day of service will be discounted to \$60.00. This payment includes adjustments and therapies such as ultrasound, electrical stimulation, and laser therapy.

This option does NOT include:

History and Examination (1 st Visit):	\$65.00
Re-Examinations (once per year):	\$45.00
Acupuncture:	\$45.00
Vitamins and Herbal Supplements:	Prices Vary

Your first visit will consist of a history and examination, therapy, adjustment and possible vitamins or supplements.

Any services performed and NOT paid for on the same day will be subjected to Langford & Karls Chiropractic Clinic's usual and customary prices.

This offer is open to all patients of Langford & Karls Chiropractic Clinic.

I have read the above option and I agree to pay the amounts about for services rendered.
